MESSAGE FROM MR. MORELAND

Gulf Middle

When we left on September 27, for a hurricane day, we never thought we would experience a Category 4 hurricane. Years of close calls and abated storms had lolled us into a sense of normalcy and a "free" day off. Unfortunately, the effects of the hurricane were unprecedented in Lee County. The entirety of Hurricane Charley could fit in the eye of Hurricane lan, but as before, we are #GulfStrong. As a school we will rebuild, ensure our families have resources available to them and continue to provide a safe learning environment for our students. We are so grateful to be back and getting some normalcy back into our day to day. If you are in need of any additional resources, please utilize the help available.

Welcome TO GMS.
