Dear Parents & Students,

I hope you are all having a great summer and enjoying your time off. Although many things in our lives are changing daily, I want to share the current information about our school opening. The focus of Gulf Middle School is to make our school program as successful as possible for all of our students and staff.

- Open House – We will have our Open house for all students on Wednesday, Aug. 4th from 5:30 pm to 7:30 pm. Students and parents will be able to get schedules, meet their teachers, and tour campus.
- 6th Grade Orientation – We will have an optional 6th grade orientation on July 30th from 9:30 am to noon. This will be a time for students to meet staff and get familiar with what a typical school day at middle school is like. Lunch will be provided for students. There will be an invitation and google form for signing up for this, sent to families through school messenger on July 20th.
- Before & Aftercare: Our Before & Aftercare program will be running this school year. The packet will be updated and posted to our school website on Friday, July 30th and registration will open Monday, Aug. 2nd.
- The supply list and school dress code are posted on our school website - <https://gms.leeschools.net/>

I hope this helps answer some of the questions you may have. If you have specific questions, you are welcome to call us at school. The main number is 239-549-0606.

Sincerely,

Wes Moreland
Principal
